

## **NEW YOUTH AND CHILDREN'S SERVICES MANAGER AT CORNWALL PUBLIC LIBRARY**

Cornwall Public Library is pleased to announce that Leslie Corbay joined the team as Youth and Children's Services Manager on July 4, 2017. Leslie joins us after several years working in the not for profit sector, children's libraries, and most recently, for the Government of Manitoba as a Provincial Library Consultant.

While completing his Masters in Library and Information Studies at McGill University, Leslie worked at La Bibliothèque des jeunes de Montréal Children's Library, providing library services and programming in French and English. Leslie is looking forward to supporting the Youth and Children's Services team at Cornwall Public Library and expanding STEAM-based education and programs. Originally from eastern Ontario, Leslie is happy to be returning home and is excited to rediscover all that Ontario's eastern counties have to offer.
